

SECURITY

Case study

 **Southern & Redfern**
Building Services Ltd

FootballStadia

Southern & Redfern Ltd have undertaken contracts for the refurbishment of Newcastle United and Bradford City Football Grounds. This involves installation of new CCTV services to all terraces and stairwells.

These services being: -

- External colour PTZ match cameras.
- High speed colour domes with PIR detection for perimeter security and crowd control.
- Vandal resistant static domes.
- Recording facility with different operating locations.
- Full project management.
